

# School Break Bundles

*Loudoun County*

*Christmas Break -2024*

This Christmas break, Crossroads will be providing School Break Bundles to Loudoun County Public School families in Ashburn. Most children look forward to breaks from school. However, students who rely on free or reduced breakfast and lunch from school experience stress and anxiety during their breaks.

By providing any of the food items listed below, or donating \$30.00 to School Break Bundles, you will be helping those students at risk of going without food during Christmas Break. Our goal is to provide 100 Bundles. Food items can be dropped off at the church office during the week days between 10-4pm or before worship on or before December 15th. Monetary donations should be marked School Break Bundles and can be made online or during worship. To find out how you can get involved, contact Kathy MacKrell at [kmackrell@crossroadsnova.org](mailto:kmackrell@crossroadsnova.org).
